

GREAT DENHAM PRIMARY SCHOOL PE Sports Government Funding - September 2014 to September 2015

DATE	ACTIVITY OR INTERVENTION FUNDED	YEAR GROUP	NO OF CHILDREN TAKING PART	COST	INTENTION AND THE EVIDENCE OF IMPACT ON PROGRESS AND ATTAINMENT.
May-15	Funding Received - estimate			3,746.00	
Oct-14	Funding Received			5,244.00	
Total to be rec'd				8,720.00	
Sept - Dec 14	Swimming Lessons at Polam - school to provide transport	Yr 5	29	1,895.00	All children at GDPS WILL take part in swimming during Year 5 – ALL children will be given at least 1 opportunity to gain a 25 metre certificate. If they do not achieve this they will be given an opportunity to repeat this. Due to an increase in parent contributions, we have not spent as much as in the last calendar year on swimming.
Dec-14	Sports Partnership - subscription and travel	All Years	344	2,000.00	All children will be given the opportunity to participate in a number of events at local schools and sports facilities. The partnership provides an opportunity to introduce children to competitive sport in a "friendly" arena. The SSP also provides training opportunities for ALL staff; training will then be fed back to teaching staff through INSET and through taught lessons/planning and ideas provided.
Jan-14	5-a-day Subscription	All Years	344	200.00	An online activity based subscription. Used by whole school to encourage health and well being amongst all children especially effective at getting ALL members of a class to participate in daily exercise.
Jan-15	Level 6 AfPE Training	All Years	344	1,100.00	To upskill current PE leader to Professional Qualifications in Primary School Physical Education Specialism and Subject Leadership and allow them to

for PE lea				lead the delivery of the primary school physical education curriculum. On successful completion, delegates will be able to lead and deliver sustainable, high quality primary school physical education as a PE subject leader. Leadership status both helps enhance PE as an important part of the whole school curriculum and uses the sports funding to create an in house 'legacy' for PE to begin to thrive at GDPS	
Sep-15	Salaries for Sports Coaches	All Years	340	3,525.00	All children in KS1 and KS2 work with Sports Coaches on a weekly basis. Sports coach expertise in sports has an effect on both children and teachers who take part in lessons and use them as CPD opportunities. Teachers still take an active part in lessons but where possible further skills are required, sports coaches use their knowledge to assist all.
Total estimate spend				8,720
