

Impact of Swimming 2014 - 2015

Objective: For children to be able to swim 25m unaided.

Context: Sports Premium funding is targeted towards all children having a 12 week block of swimming in Year 5 at Polam School, Bedford. Children who do not achieve their 25m then return for a second block in the spring term (a further 12 weeks). Any children requiring further lessons will return for a third 12 week block in Year 6. Parents contribute towards the cost of the transport to the pool, and the school meets the cost of the swimming lessons. Children learn in groups of up to 10 children with a qualified swimming teacher.

Year 5 2013 - 2014

% of children able to swim 25m at start of lessons	% of children able to swim 25m at end of sessions
28%	86%

Six children returned for a second term of swimming and out of these, two then achieved their 25m.
