

# Great Denham Primary School

## Phonics and Reading Schemes

### Phonics

Our Phonics Programme is self-made based on the Sounds-Write programme.

Sounds-Write is a quality first phonics programme and is acknowledged by the DfE as meeting all its criteria for an effective phonics teaching programme. It is an exciting and highly successful approach to the teaching of reading, spelling and writing. The programme is already being used extensively in primary and secondary schools throughout Britain.

### Reading Schemes

We use a variety of reading schemes including: Project x, Oxford reading tree, Collins big cat phonics, Ginn pocket tales and TreeTops.

#### **Ginn Pocket Tales**

*a superb collection of pocket-sized fiction and non-fiction books for KS2 readers.*
