

Great Denham Primary School

Teacher

MPS (full time)

Do you like the freedom to be creative?

Do you have high expectations for everyone?

Do you think outside the box?

Do you want to be part of an innovative team?

If so you may be what our children are looking for! Great Denham Primary School is a new school that opened in 2012. Our curriculum is innovative and our children enjoy an immersive project based approach to learning. Mobile technology is at the heart of our curriculum and the school is part of an exciting 1 - 1 ipad project with all children in KS2 having their own ipad. At our recent OFSTED inspection our school was graded as 'good' with the behaviour and safety being graded 'outstanding' as well as the Early Years.

Due to the expansion of our school we are looking for a teacher for either KS1 or KS2 for September 2018. NQT's are encouraged to apply and visits to the school are also encouraged – please call the school office for an appointment.
