Great Denham Primary School is an innovative school that opened in 2012. Our children enjoy an immersive project based approach to learning.

Mobile technology is at the heart of our curriculum and the school is a regional training centre for Apple. At our recent OFSTED in December 2017 our school was graded as good overall with our Early Years and behaviour and safety being graded as outstanding.

We are looking for hard working and enthusiastic teachers to join our expanding and friendly school. NQTs are encouraged to apply for post 1.

Visits to the school are encouraged.

Application packs can be found on our website:

Great Denham Primary School is committed to the safeguarding of all our children. All posts are subject to satisfactory DBS clearance.
