For April 2018 and September 2018

Do you like the freedom to be creative?

Do you have high expectations for everyone?

Do you think outside the box?

Do you want to be part of an innovative team?

If so, then you may be what our children are looking for! Great Denham Primary School is a new school that opened in 2012. Our curriculum is innovative and our children enjoy an immersive project based approach to learning. Mobile technology is at the heart of our curriculum and the school is a regional training centre for Apple. At our recent OFSTED in December 2017 our school was graded as good overall with our Early Years and behaviour and safety being graded as outstanding.

We are looking for enthusiastic teachers to join our expanding school. Two of these posts will be to start in April 2018 in Year 1 and another in Key Stage 2. We also have posts suitable for NQT's and experienced teachers for September 2018. Visits to the school are encouraged.

Application packs can be found on our website:
