## A message from the head.....

It has been lovely seeing all the VE day work this week, I hope you are enjoying your VE day celebrations today!

Yesterday in care club we had a VE day party where the children made cakes and scones and our wonderful kitchen team provided a fantastic buffet for the children. It was lovely forget what was going on in the world and just have some fun with the children!

There is a lot of speculation in the news at the moment about when and if schools will reopen. As a school we know no more than you do at the moment about what is going to happen and we await the announcements on Sunday night. Once we have some clarity we will make appropriate plans and share these with you at the earliest opportunity. Please let me assure you the safety of the children will always remain at the forefront of any plans we make.

Tomorrow I am having a VE day buffet delivered thanks to a local cake making business called Crème Brew Lait, which I won in a competition. Apparently I was nominated by several members of our community for this prize so if you were one of the people who nominated me, thank you so much, such a kind gesture! I am very lucky to work with such an amazing team who have really shown how fabulous they are during these difficult times.

Have a nice weekend, enjoy your VE day celebrations and stay safe,

Denise Burgess

Headteacher
